

# Bellwork: Clarity in Artwork

- Make a list of gestures on the board – example: running

# Clarity in Artwork

- Take out a pen – you will only use a pen to prevent you from continually erasing
- You will draw the gestures as a readable stick figure expressing an emotion
  - Draw figures of gestures that I call out from your examples
  - Draw figures of gestures that you select from a hat
  - Have groups pick gestures for other groups
  - Compare how groups depicted gestures
