

Historical Hero Analysis Project: Possible Topics

The following timeline lists possible characters for your research project. If you want to select a character whose stories you can definitely find in our classroom library, school library, and public library, select a character whose name is bolded. Remember, this list of characters is merely a starting point. If you know of another character that you would like to research for your historical analysis, write up a brief, bullet-pointed explanation and submit it for teacher approval asap.
