

## *Ms. Marvel* Study Guide

**Part 1 Directions:** While reading G. Willow Wilson's run on *Ms. Marvel*, answer the following questions. You do **NOT** have to write your responses in complete sentences, but make sure that your answers are thorough and analytical, which means that you will need to write your answers on a separate sheet of paper. We will use the first volume of *Ms. Marvel* as the example text to reference in class, while discussing Scott McCloud's theory text, *Understanding Comics*.

**Keep up with the study guide questions, because 1) they will function as your reading check, in place of reading quizzes and 2) they will help aid you in class discussion.**

**Part 2 Directions:** As a class, we will analyze several Ms. Marvel issues. Since you have already read the issue, you will go back and reread or skim the issue you get assigned. Then in groups of 3-4 people, you will focus on a few, specifically selected pages for analysis. Your group will write at least 1 strong, analytical question, and complete an analysis for your section. In your page analysis, focus on lines, gutters, panel shape, panel transitions, coloring, lettering, plot, language, or any other comic components that we have discussed in class.
