

Theme

- every story needs a theme
- you should be able to state theme in
- plot elements build the theme
- ideally the theme will contain a element like something about survival, freedom, love, or another basic human or

Batman's theme:

Theme Activity

1. Select a well-known character (as a class)
2. Determine the theme of the character's stories
3. Create your own character
4. Determine the theme of that character's story
