

Young Avengers Comic Review

Directions: You have just read *Young Avengers* and now you will write a short comic review in your journal. On the left page of the journal you will list bullet pointed comments. On the right page, you will take those comments and write a concise, specific review of that comic in a single paragraph. Your review will focus on the comic elements discussed in class – panel layout, panel transitions, coloring, lettering, art style, etc.

Comic Review Journal Requirements:

1. Date on each entry: labeling each entry
2. Bullet-pointed review: brainstorming on left page
3. Review paragraph: analysis and evaluation of issue on right page
